FOREWORD

Shoes have a curious way of signifying the various paths and turns we make in life. Thus we have this year chosen "Shoes" as the theme of our yearbook and ask you to walk with us through our years at school.

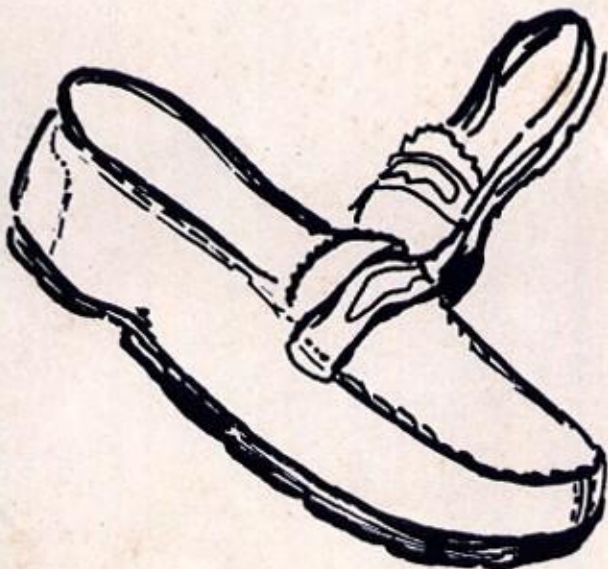

Our faculty greets us first. It is they who have guided our footsteps through the difficult paths of learning.

Saddle shoes remind us of the hurried passing through the halls to classes where fond memories of pleasant friendships were formed.

Important club meetings and dances found us eagerly anticipating putting "our best foot forward" in our best shoes or dancing slippers.

The football, basketball, and track shoes typify the major sports of our school. In these sports, both as participants and spectators, we have rounded out our lives with work and play.

After our walk through the years we hope you have many pleasant REMINISCENCES OF DAYS IN SCHOOL, as the name RODIS signifies.

RALPH H. JEWELL, B.A., M.Ed.

Superintendent of Schools

Some people believe that school is a process of molding young people to conform to certain patterns of behavior. I believe that school should be an enjoyable experience which enables each youth to develop his own talent, ability, and skills. It is my hope that you have enjoyed your school days, that you have taken advantage of your school opportunities, that you will contribute your share to a democratic society, and thus enjoy a happy life.

Ralph H. Jewell

High School Principal

The pictures in this book represent happy and useful living in a democratic society. It is your book, your pictures, your story. May you gain courage and inspiration for the future, as you relive the experiences depicted here.

Looking in on the Faculty

Seniors

Only four years ago we were freshmen—it's hard to believe! We were a proud lot then—for we had "arrived." No more were we to be trampled underfoot, for now we were in the ninth grade. The loss of one of our best friends that year added a solemn note to our activity—we shall never forget Miss Lafferty.

September, 1946, found us Sophomores, wise in the ways of education. Somehow, Mr. Hutchman and his heredity charts will always be associated in our minds with that year. Our boys, now taller than the girls, entered sports. Sandy earned the first of his three letters that year.

Soon we were Juniors, and with our position in life came sophistication. Enthusiastically we sold the house out for our Junior Class Play, the first to be presented in years. Our Christmas card campaign backfired—the cards didn't arrive on time and we spent days returning money and explaining to our customers. But we redoubled our efforts in March and were rewarded by a successful Easter egg sale that swelled our class fund. And then our big moment came! We were hosts to the Seniors at the Junior Prom. "Chinatown" was the theme, and yellow and red decorations created the oriental atmosphere. We selected blue and white as our class colors and "Hitch Your Wagon to a Star" as our motto.

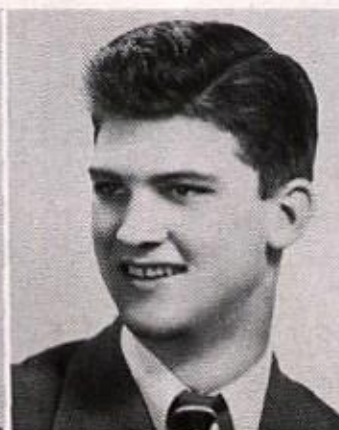

Another summer slipped by, as only summers can do, and we were Seniors! Our formal in November started us on the year's festivities. Dances in the gym after football games, club parties, initiations, and the long Christmas holiday made the days slip by; and we were soon rehearsing for the Senior Play. Banquet and Class Day committees began working, the Rodis went to the printer's, and we knew that our school days would soon be over. We've griped and complained, we've loafed when we should have been working, and we've worked when we could have been loafing. We've learned a lot about living. Now we can put our learning to practice.

Juniors! At last! Many laps have been taken around the face of the clock by those tireless hands and many more leaves have been torn off the wall calendar, but time can cease for us now. We have climbed upon our pedestals, the better to be seen and admired as Juniors. We feel a new strength and might that overshadows the unconcern we experienced in the past years of Junior High School when dances, proms, plays, or any interesting activity was not for us, the lowly, but for our next year as Juniors.

We grasped the activities of the Sophomore class with all the vim and zest we could muster. Yes! We were turning commercial. Money, money, we must have it! How could we sponsor a Junior Prom, that glorious moment of high school days? The first dollar we rang up was a hard-earned one. That peanut brittle just wouldn't move! But patience and salesmanship sold the last ounce with a satisfactory profit.

As Juniors, we liked to emote, and a fine opportunity for money-making and acting presented itself in the Junior Play, "Beauty and the Beef." What future stars presented themselves in that successful production! We can never forget Bobby Cavanaugh, nonchalantly "bratting" through his kid brother role. No S. R. O. signs were needed, but we did have a "comfortably" full house.

But now comes the moment for which we have been waiting. The Prom! "What kind of gown shall we get?" was the cry of the girls. The boys solemnly wondered if that old plaid suit of brother's would pass unnoticed. Everyone thrilled to the kind of orchestra that would fill the gym with its rhythmic strains.

We have come to the end of another year, and still before our eyes the cold, bare gym wears the color, beauty, and fun of Prom night. But we can start the hands of the clock again—we want them to pass on to the Senior year!

The homeroom with the greatest number of honor students is awarded the Scholastic Honor Banner every report period by this group, and the Honor Plaque on display in the main hall is kept up to date by the Society as well. This plaque, symbolizing the flaming torch of knowledge, bears the names of honor students each report period. This year, in addition to its other functions, the National Honor Society sponsored parties at which Junior High students were guests. To augment the treasury for such affairs, a group of the members made and sold programs at the basketball games. Also included on their social calendar was the Valentine's Day Tea for the faculty. And as if they haven't enough to do, they are now compiling a "Who's Who" of all Midland's present and former Honor Society members—a fine project undertaken by a capable group.

Our Student Council has been, as any student governing body should be, quite active this year. In November, to parallel the national elections, the Student Council presidential candidates conducted a spirited campaign complete with slogans, banners, and campaign speeches. Following that excitement the Council settled back for business.

Composed of one representative from each homeroom and the class presidents, the Council did much this year to make life at Midland High more interesting and well regulated. A committee was formed to help keep order at our bonfire on Armistice Day; the Council sponsored the Homeroom Christmas Decoration contest and was responsible for the school tree at the main entrance; several members worked faithfully on the concessions at basketball games; and the big project of the year—May Day—was the work of this energetic group with the assistance of the National Honor Society. The results of the work of this year's Student Council speak for its quality—100 per cent cooperation of the student body.

The Senior Dance

One of the highlights of every Senior year is the Senior Dance. Since this was the last formal affair that we ourselves were to plan, we set out determined to make it bigger and better than ever. Kenny Shane and his decorating committee, with the help and guidance of Mrs. Stephens, transplanted the gym into a heavenly blue sky with twinkling silver stars. In carrying out our motto, "Hitch your wagon to a star," the natural theme seemed to be a "Stairway to the Stars," which was made more realistic with our class colors, blue and white.

The orchestra committee engaged Tommy Care for the big event, and the girls in charge of refreshments bustled about begging friends for table cloths and tables. Friday, November 19, finally rolled around and the day began with Sandy, Pat, and Yasha, the supermen, lugging gliders into the gym and always managing to get them in everyone's way. Bill Graham perched himself on top of a ladder while Flo Gottlieb sat below fixing the stapler which just wouldn't work. In spite of all the confusion, we managed to get everything up by four o'clock—time enough for our beauty preparations.

That evening as we gazed dreamily at our partners, admired the beautiful decorations, and enjoyed the mellow music of Tommy Care, we knew that this dance would always be one of our favorite memories of "Life at Lincoln High."

THE JUNIOR - SENIOR PROM

After three long years of casting envious glances at our "elders" as they attended the various school formals, we finally reached the exalted state of Juniors; and before we knew it, we were in the midst of making plans for our Junior Prom. Committees were chosen by our class president, Francis Fanfera; and soon we were all lost in the mad rush of making preparations. The decorating committee, headed by Theresa Ferenchina, decided to side-step the conventional colors; so they chose red, yellow, and black which created an effective Chinese theme. The orchestra committee selected Shively Yates and his Orchestra to provide the music for dancing. At last May 7 arrived and found us scurrying about like leaves in a wild March wind. Everything must be in readiness for the big time that was to come. Dude and Johnny Jack worked fervidly to get the picture of the Chinese "junk" set just so, while "Dap" scorned the assistance of a ladder and calmly stood on tip-toe to hang up the last lantern. That night a very tired, but eager, Junior Class entered the gym to enjoy the results of its labor. It was a long wait—but our Junior Prom was well worth it!

The Grand March

Captain Applejack

March 18 marked the day of the annual Senior Class Play, "Captain Applejack." The plot centers on Ambrose Applejohn, a rather mild-mannered man, who yearns for adventure and romance and finds both without leaving home. Much to his amazement he discovers his ancestor was the notorious pirate, Captain Applejack, who hid stolen treasures in the ancient house of the Applejohns. Romance enters his life with the arrival of a Russian dancer, Anna Valeska, who later proves to be a jewel thief in disguise. However, the story has the traditional happy ending when Ambrose finds the love of his life in his youthful ward, Poppy Faire. The play was directed by Mr. Laing.

Beauty And The Beef

Under the direction of Mr. Laing the Junior Class presented their annual play, entitled "The Beauty and the Beef," on December 9. The scene of the play is Winnebago. The heroine Ginny Allen has just moved there from Chicago, where she won fame as a "Quiz Kid." To find favor with the football hero of the high school, she tries to keep her mental ability from becoming known. This leads to a situation which makes the play amusing and entertaining.

The Rodis

A yearbook, to some people, is merely a number of pages with words and a few pictures scattered and squeezed between the flaps of a cover. To us it's much more—it's a record of a year spent at Lincoln High. We hope that this book will be a treasured remembrance of happy memories of every day activities—classes, sports, dances, and parties—that you enjoyed in '48-'49.

We wish to thank the Faculty and Students who helped us publish the 1949 Rodis.

Meeting the Deadline

The Newzette

After a lapse of two years the Lincoln Newzette, our school newspaper, was again published. A capable staff, under the direction of Mrs. Headland, worked hard to make the paper a success. Many special features were added, such as the student polls and the selection of the ideal boy and girl. Old favorites were kept, and we recognized the familiar Clatter and Chatter columns, Orchids and Onions, and Fads and Fashions.

We wish to thank Mrs. Headland and the Newzette staff for a grand newspaper.

See Fi S

Composed of Senior girls, the See Fi S has as its objective, "To seek, to find, to share." Sponsored by Miss Wagner, the club this year "adopted" a needy family and supplied them with clothing. This is only one of the many services that they have afforded their school and community. The girls are to be commended for their generous and worthwhile efforts.

Alpha Tri-Hi-Y

Among the most popular clubs in the "Y" group, the Alpha Tri-Hi-Y has Junior girls as its members and is under the direction of Miss Lovejoy. The club meetings were held the third Monday of every month. The main features of these meetings was the discussion on "Teen Talk." The Midland club was always well represented at the Tri-Hi-Y rallies in Beaver Valley. The girls strive to attain the aim of their club, "To create, maintain, and extend throughout the school and community, high standards of Christian character."

The Officers: Salwa Nahas, president; Gloria D'Innocenzo, vice president; Mary Ann Palyan, secretary; Ruth White, treasurer; Ella Mae Lewis, historian. Sponsor: Miss Lovejoy.

Hi - Y

Along the parade of clubs appears the Hi-Y, which is well known for its social and athletic activities. The club year opened with the initiation of new members. The Hi-Y basketball team was organized and games were arranged with other Hi-Y teams. The members voted to purchase Hi-Y pins, representatives attended rallies, and swim nights were held at the East Liverpool Y. M. C. A. With Mr. Hokman as their sponsor, the boys completed a very successful year.

The Officers: Bill Shovlin, president; Eddie McGoye, vice president; Ken Shane, secretary; Don Glass, treasurer. Sponsor: Mr. Hokman.

Junior Tri-Hi-Y

The "baby" of the Y group is the Junior Tri-Hi-Y. However, one can easily see this was no hindrance by looking at their impressive list of activities. They sponsored chartered buses to the football games, were hostesses at a Christmas party for underprivileged children, and held the "Farmer's Ball" in November. To keep membership in the club, each girl was required to give eight hours of service to the school.

The Officers: Dorothy White, president; Mary Jane Scarsella, vice president; Julia Torres, secretary; Audrey Yanich, treasurer. Sponsor: Miss Presutti.

Girls' Leaders

The girls of Lincoln High School find a place in our athletic program by joining the Girls' Leaders Club. This club, sponsored by Miss O'Hara, affords the girls an opportunity to play on volleyball and basketball teams, practice good sportsmanship, and participate in the Girls' Athletic Program of the County. The club meets every Thursday during the Activity Period. This year's activities included dances in the gym after the football and basketball games and the arrangement of the dances for the May Day Ceremony.

The Officers: Ethel Flaim, president; Rose Brasco, vice president; Martha Susich, secretary-treasurer. Sponsor: Miss O'Hara.

Boys' Leaders

The aims of the Boys' Leaders Club are to develop leadership and to promote clean sports. To further these aims, basketball games were arranged with other high schools in the valley. Spanish Club

Another one of the many new clubs organized this year was the Spanish Club. Its main objective was to further better understanding between the United States and countries of South America. The members decided that one of the best ways of doing this would be to write to students in that country. Miss Fitzsimmons helped select the names of South American boys and girls with whom the club members could correspond. The club read and reviewed Spanish pamphlets, magazines, and newspapers and thus learned about the customs and life of Spanish America.

On the Gridiron

The 1948 football squad made history in several ways. Under the eagle eye of new Head Coach Myers and his capable assistants, Mr. Kaye, Mr. Marshall, and Mr. Wilson, the '48 edition of the football eleven from Midland High was molded into form. The many long, hard hours of practice paid dividends. The "Leopards" finished the season with the best record of the past eight years. They missed the County Championship by the slight margin of a six point loss to Rochester. The blue and gold emerged from the 1947 cellar position to become recognized throughout the Valley as a hard hitting squad that asked no quarter and gave none.

The Bob Cats of Beaver were the first to meet defeat at the hands of a scrappy and alert Midland eleven. The final score was 19-12; the first victory over our traditional rival since 1940. In the second home game Freedom was defeated 19-0 to boost the win streak to two. The third and fourth outings against Burgettstown, 25-0, and Monaca, 18-7, gave the Leopards a winning streak of four straight. Injuries and a muddy field resulted in a 6-0 loss at Greenville. The sixth and seventh games ended in 6-6 and 14-14 deadlocks with Carnegie and New Brighton. In their eighth appearance on the gridiron, the boys from Midland upset the highly touted Coraopolis visitors, 12-6, to eliminate "Corry" from W. P. I. A. L. honors for the third straight year. During the last game in which the County Championship was at stake, the Leopards failed to connect on a fourth quarter pass and went down to defeat 6-0 at the hands of Rochester.

The "Midlanders" crossed the chalk mark for 113 points compared to the opponents' 57 and thus they established a record of five wins, two ties, and two losses, a fine record at any time, and the best record Midland has enjoyed in eight years.

Junior High Football

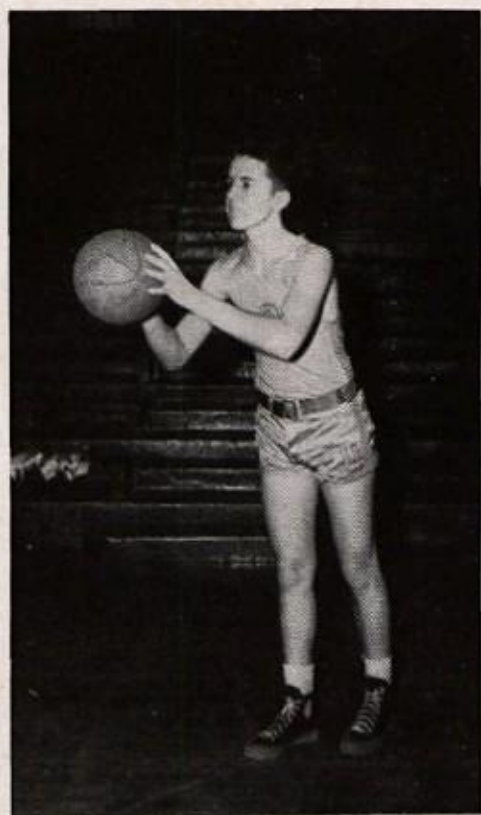

The Junior High Football team, coached by Mr. Wilson, proved to be one of the best at Midland for quite some time. They were an aggressive team and were willing to work hard and eager to learn. Their cooperation and hard work paid off as shown by their record of four wins, one tie and one loss. C. Stewart, T. Lindsay, Mike Karas, W. Davis, and P. Farnan were the main cogs of the backfield. Their hard running, pass receiving and tossing, and good blocking gave their followers many unexpected thrills. The action on the line was provide by T. Pallow and V. Martinetti as ends, G. Bell and R. Thompson as tackles, H. Kovalesky and E. Martell as guards, and B. Ondrick as center.

The records show that the Kittens outscored their opponents 105 to 20 points. Their impressive record and their enthusiasm for the game should provide the fans with some very good football as the Kittens mature to Leopards. They are to be congratulated on their efforts and successes.

On the Hardwood

The Leopards started the season with a new coach, Wilbur Dershimmer, who comes to us from Geneva. Greeting the new coach were veteran stars, George Allen, Bob Smith, Dick Black, Eddie Gornak, Tony Flara, and newcomers, Louis Vassallo, Eddie McGoye, Bob Duffy, Joe Yukica, and Bill Shovlin. From this group Coach Dershimmer molded together a championship team.

Midland started well, taking their first eight games, but were set back by a hard fighting Wellsville quintet 25 to 24. The Midland five then came back to overwhelm Chester 39 to 27.

The Section 9 league games began and Midland won easy victories over Rochester, Monaca, Freedom, and New Brighton. In their fifth game, the Dershimmer proteges were edged out by an aggressive Beaver five 42 to 39. The Lincoln High passers ended the first half by winning exhibition games with Avalon and Newell.

The Leopards started the second half in quest of a title. They trounced Rochester 49 to 29, but bowed to Monaca 45 to 49 in a hard fought game at Monaca. Midland and Monaca were then tied for first place in Section 9. The Midland five were victors in their next three league tilts, taking Freedom 64 to 39, New Brighton 40 to 22, and Beaver 70 to 33.

In the Section play-offs at the Beaver Falls Gym, Midland won a crucial battle with Monaca edging the Indians 39 to 36 in an overtime period to become the Section 9 Champs.

After receiving a first round bye, the Leopards entered the quarter-finals in the W. P. I. A. L. Tournaments at Pitt Stadium. On March 8, they defeated a hard fighting Latrobe 36 to 34.

This victory made the Midland team eligible to meet Homestead for the semi-finals on March 14. Although definitely rated as the underdog, the Leopards fought the Steelers all the way to the final gun before they went down to defeat by the narrow margin of 41 to 38.

Individual honors were taken by Eddie Gornak and Bob Smith who were the two high scorers in Section 9 with 115 and 111 points respectively. Eddie and Bob, co-captains of the team, also captured honors by making the All Section team. The Leopards were also well represented on the second team and received honorable mention.

The boys are to be congratulated on their highly successful season.

FIRST ROW: E. Mullen, J. Rivetti, F. Radella, J. Gibson, J. Howell.
SECOND ROW: M. Yanosich, R. Kaiser, J. Boyle, F. Doyle, S. Porto, D. Reider.

The Reserves

The Reserve basketball team, with Mr. Bouldin as head mentor, this year provided the spectators with many exciting and close games. Although their record of eleven wins and ten losses does not look impressive, the boys gave their opponents some tough battles and showed they were capable of good basketball playing.

In their scraps preceding the Varsity contests, many a thrill was seen as the ball handling and set shooting of Eugene Mullen stood out with the consistent board work of "Frenchie" Radella. The alert playing of John Howell and Jack Gibson combined with the play making of Frank Doyle rounded out the squad. Jim Rivetti stood out as the sixth man and also started in several games. Sub roles were filled by James Boyle, Matt Yanosich and Dick Kaiser.

With these boys returning next year, Midland can look forward to continued success in Basketball.

Junior High Basketball

The Midland Kittens, coached by Mr. Marshall, started the season with four members of last year's team. Off to a poor start of six losses in their pre-season games, the Kittens entered the league competition as underdog. The Midland Five quickly moved out front by defeating Freedom, Patterson Township, College Hill, Conway and Beaver. They ended the first half by bowing to Harmony 31 to 29.

In the second half of the season, the Kittens were the victors in tilts with Monaca, Freedom and Patterson Township. College Hill upset the Young Cats 26 to 20. The Kittens then defeated Conway 38 to 17, but received a defeat at the hands of Beaver, 25 to 13, and thus tied with Beaver for first place. The Kittens lost to Beaver in the section playoffs at New Brighton by a score of 23 to 17.

Congratulations to the team and Coach Marshall on a good season. We're expecting great things from them as the Kittens grow into Leopard size.

On the Diamond

Coach Wilson's baseball team opened the 1948 season with six veterans. However, they were hampered by the weather for some time and were able to get only a limited amount of practice. Their first game ended in a defeat by Rochester 10 to 3. This was followed by two wins at Monaca and Ambridge. Aliquippa, the section champs, then took the Leopards in a close game, 3 to 1. The boys came back with a win over Beaver, but lost again to Rochester. The season ended with Midland winning three out of their four last games, which included a 9 to 7 victory over Aliquippa, the first in five years.

The team started with Bill Green, Lefty Thompson, and Francis Doak as pitchers and Bill Trimble catching. The outfield showed Walter Nobers, Eddie Marker, and Harry Wolfe; while the infield was changed often to include Don Glass, Duane Doak, Dick Black, Eddie McGoye, and Keith Hammond. As the season went along, such newcomers as Matt Yanosich, Dick Kaiser, George Boston, and Bob Duffy saw action enough to gain valuable experience for the coming season.

As this write-up goes to press, it is felt that Mr. Wilson, with such boys as D. Doak, M. Yanosich, D. Glass, E. McGoye, D. Black, G. Boston, B. Duffy, and D. Kaiser, will again be able to prove one of the top teams of the valley.
